

A close-up photograph of a pink lotus flower in full bloom, with many layers of delicate petals. The flower is the central focus, with its petals showing fine veins and a soft pink color. The background is blurred, showing hints of green leaves and other parts of the plant, creating a shallow depth of field.

Numbers 14:08 If the LORD delight
in us, then he will bring us into
this land, and give it us; a land
which floweth with milk and
honey.
