

A close-up photograph of a garden. In the upper right, there are large, bright yellow roses. To the left and in the center, there are several purple pansies with yellow centers. The foreground is filled with lush green foliage, including large, heart-shaped leaves with white and green variegation (likely ivy). A small red flower is visible at the bottom center. The background is slightly blurred, showing more greenery and a hint of a brick wall.

Joshua 19:08 And all the villages
that were round about these cities
to Baalathbeer, Ramath of the
south. This is the inheritance of
the tribe of the children of Simeon
according to their families.
