

A close-up photograph of several pink cyclamen flowers with variegated green leaves. The flowers are in various stages of bloom, with some fully open and others as buds. The leaves are heart-shaped with prominent white variegation. The background is slightly blurred, showing more of the plant and some brown soil.

Psalms 28:05 Because they regard
not the works of the LORD, nor
the operation of his hands, he
shall destroy them, and not build
them up.
