

A close-up photograph of a cluster of pink hydrangea flowers. The petals are a vibrant pink color with some lighter, almost white, variegation. The flowers are in various stages of bloom, with some showing the central yellow-green stamens. The background is a soft, out-of-focus green, suggesting foliage.

Judges 11:35 And it came to pass,
when he saw her, that he rent his
clothes, and said, Alas, my
daughter! thou hast brought me
very low, and thou art one of them
that trouble me: for I have opened
my mouth unto the LORD, and I
cannot go back.
